

# ChildVision

National Education Centre for Blind Children

## VACANCIES - SENIOR & BASIC OCCUPATIONAL THERAPISTS (FULL TIME/ PERMANENT ROLES)

CHILDVISION, The National Education Centre for Blind Children invites applications from suitably qualified, enthusiastic individuals with excellent interpersonal and communication skills in respect of this position.

These roles are best suited to people who enjoys a varied and interesting working experience. It involves liaison with other professionals to offer a multidisciplinary approach to the clients and their families. The client group itself is quite varied in terms of age and needs - from infants to adolescents who have a visual impairment but in many cases, other disabilities. **The experience with children with a visual impairment is not required - full training will be provided.**

Applicants must have a recognised degree in their professional field together with Coru registration. For the senior role experience with disability caseload is essential, and it is envisaged that the successful applicant will also have a minimum of three years' experience in field and preference will be given to specific experience with the needs of a similar client population.
