Corporate Days

For a small donation, you can engage your team in hands-on activities that make a real difference:

- Gardening Days: Help maintain our gardens for children to explore safely.
- Workshops: Our staff and students will speak to your group on their work with ChildVision and their experiences being involved in the organisation.
- Equine services: Join our equine team and give your employees the unforgettable experience of working hands-on with our therapy horses, supporting the children who rely on these gentle animals for confidence, connection, and growth.
- Fundraising Events: Organise or participate in creative initiatives to raise funds.
- Skill Sharing: Share your professional expertise to enhance our operations and programs.

Your involvement can open a world of possibilities for children who need it most. Together, we can build brighter futures.
